FA0 (Free Agent) is a system which will allow distributors who have not made a "direct sale" in more than 2 years to reactivate their business under a different 6A2-3 group by purchasing a Machine or Ukon Sigma. No existing "Tokurei" account is allowed to FA transfer. No name changes are allowed after FA transfer. In case of exercising FA0 transfer, any machine(s) or Ukon account(s) under your main account will be invalid and cannot be reversed after FA transfer has been completed. Distributors cannot FA transfer twice. It will NOT affect the up-line distributors for their rank up advancements or qualifications for any incentives/awards.
