Service Request

EXPRESS DEEP CLEANING ☐

Date: YYYY/MM/DD

Instructions: 1. To prevent delays, please fill out the customer section.
2. Remove the enhancer tank, diverter, adapter and covers.
In case of receiving a full enhancer tank, it will be emptied to prevent any damage.
3. Carefully read the terms and conditions below before signing this service request form.
Note: Deep cleaning is not covered under warranty.

Description of a problem:

Terms and Conditions

1. I have read and complied with the Instructions listed above.
2. I understand that a $2.00 daily Storage Fee will be charged on a day of a pickup, if my serviced machine is not picked up within 14 days of repair completion. When machine is ready for pickup, Enagic will notify the customer via the phone number provided above.
3. I understand that Enagic is only responsible for following the Service Request as written on this form. It is my responsibility to provide a clear description of the problem with my machine. Enagic will attempt to clarify any issue presented on this form but is not responsible for errors resulting from misdescription by the customer.
4. I understand that if my machine is not paid in full within one year (365 days), Enagic will dispose of the machine due to neglect and abandonment of payment dues.
5. I understand that Deep cleaning is a process of calcium build up removal from the titanium plate unit.

By signing this form, I agree to the Terms and Conditions listed above.
