# E-Point System

- After enrolling in the E8PA program, distributors start to earn E-points from their own card purchases and downlines' sales (machine/ukon/E8PA card).
- 6A2 and above E8PA members also earn E-points from their group sales.
- E-points can be redeemed for travel expense for trips to Okinawa and Osaka to visit our Enagic Facilities, and for trips to attend the Enagic Global Convention and Meetings worldwide.
- 1,000 E-points = USD 1.00
  - If membership is not renewed, the accumulated E-points will be invalid upon expiration.
  - Accumulated E-points are valid for 3-year period as long as membership is renewed timely.
  - E-points are transferable to the family or downline E8PA members.

# Use E-Points

## Collect and use E-points to join Enagic events easily!

Future machine sales, Ukon sales and of course Membership Card purchases in your downline will also generate E-Points. E-Points will additionally be granted for each sale in your 6A2 & above group (outside 8-Points).
